

Take a Second Look!

**** CAMPAIGN EXTENSION ****
Second Step Giving Campaign for our
25th Anniversary Celebration

When was the last time you looked at our worship space?

Take a second look!

After many years of joyous, engaging, contemplative, praiseful worship, wouldn't it be great to start 2013 with a spruced up worship space by refurbishing our seating?

So, take a second look at that pew...you know, the one you always sit in...

- ✓ Considering sponsoring its complete refurbishment for \$425.
- ✓ You don't take up that much space? How about committing \$212.50 for half a pew or offering \$106.25 for a quarter of a pew?
- ✓ Like to sit in the back? How about sponsoring the re-upholstery of a chair for \$75?

Our goal is to gather pledges for \$16,635 to cover all costs for reupholstering and restoring the 33 pews and 37 chairs in the worship space.

Commitments are due by **January 29, 2012** for work to be done in fall 2012. Please complete the information below and place it in the pew-shaped box in the narthex.

Take a second look, and make a commitment today!
